# The National Association of State Workforce Agencies

#### Who is NASWA?

NASWA is **THE** advocate at the federal level representing state workforce agencies.

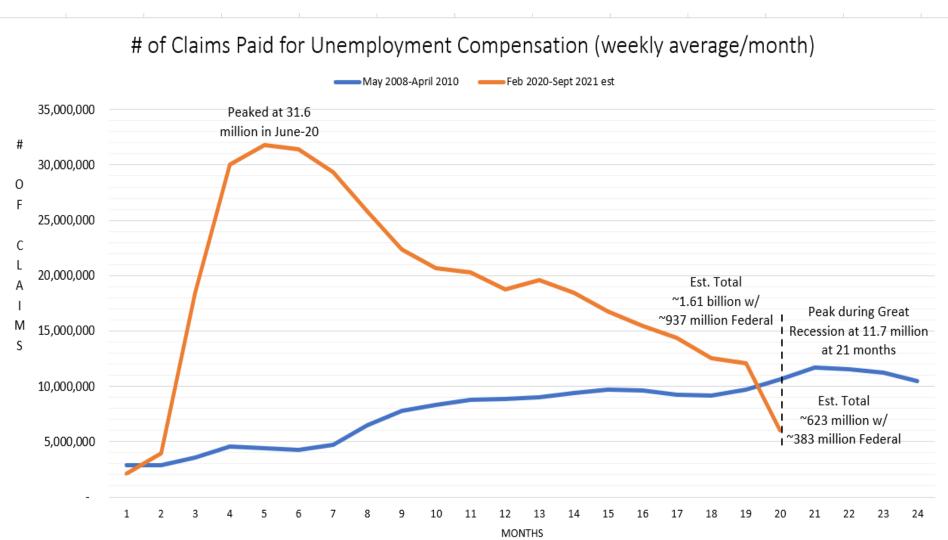

NASWA is **the national leader** working with policymakers on issues impacting state workforce agencies.

In addition, member services are central to our mission. NASWA provides a range of services, including the facilitation of peer-to-peer relationships, sharing of promising state practices, promoting state innovation, and the provision of advice and technical assistance on a host of state administrative issues.

NASWA's **overall approach** is focused on helping improve your state's workforce and economic development outcomes.

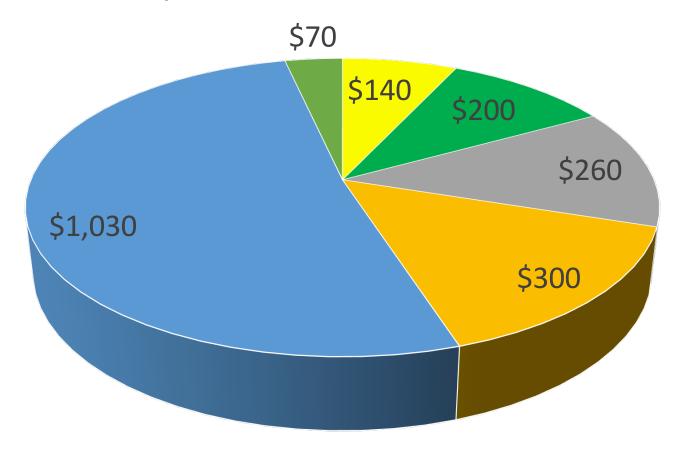

#### **Pandemic Claims Tsunami**

#### \$2B USDOL ARPA Funds

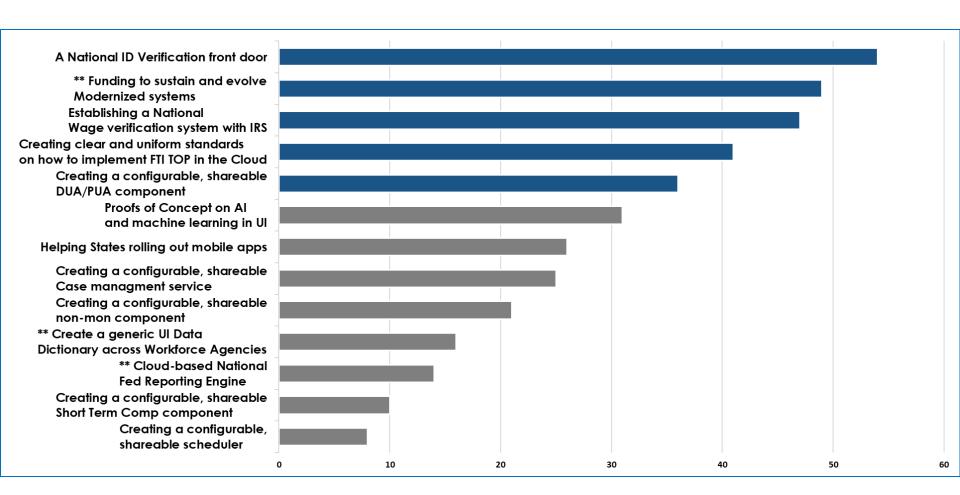

- Fraud Prevention
- Future options

- Tiger Team Recommendations Equity-Outreach-Customer Svc
